Contact: Deputy Chief Dave Schar, (630)393-2131, dschar@warrenville.il.us

Fatal Accident

Warrenville, IL – On August 8, 2014 a single vehicle accident involving a commercial cement truck traveling north bound on Winfield Road left the roadway after crossing through south bound traffic before hitting a tree near Greenview Avenue just north of Illinois Route 56, no other vehicles were involved. At this time it appears the driver of the cement truck suffered a medical emergency leading to the loss of control of his vehicle. The driver was taken to Cadence Hospital in Winfield, IL where he was pronounced deceased. Pending an autopsy by the DuPage County Coroner's office, the driver's injuries and cause for him to leave the roadway are unknown at this time. The accident left portions of Winfield Rd. closed for several hours. The accident is currently under investigation by members of the Warrenville Police Department. Identification of the driver is being withheld pending notification of the family. Again, no other vehicles were involved.
