Warrenville Police Investigate Motor Vehicle Crash

Warrenville, IL – On Monday, October 20, 2014, at approximately 2:15 p.m., Warrenville Police responded to a report of a traffic accident involving three vehicles at the intersection of Butterfield and Batavia Roads.

The investigation revealed the driver of vehicle one, which was heading westbound on Butterfield Road, traveled through a red light and struck vehicle two, which was traveling southeast on Batavia Road. The collision propelled vehicle two into a third vehicle that was stopped for the eastbound Butterfield Road traffic signal.

The driver of the second vehicle was extricated and transported to Cadence Hospital, in Winfield. The driver of the third vehicle was also transported to Cadence Hospital for treatment. Neither drivers sustained life-threatening injuries. Butterfield Road just west of Batavia Road was shut down for approximately two and one-half hours for accident reconstruction. Charges are pending against the driver of vehicle one, who suffered minor injuries.

Anyone who has information regarding this incident is asked to contact Deputy Chief Jeff Jacobson at the Warrenville Police Department at (630) 393-2131.
