VANDALISM INVESTIGATION

WARRENVILLE, IL – On Tuesday, January 31, 2017, the Warrenville Police Department responded to the Thornwilde subdivision for reported vandalism to residences. At that time, police discovered approximately twelve locations in close proximity of each other, which had been targeted. The offender(s) spray-painted street gang symbols on siding, fences, and garage doors of area residents. The mere presence of the graffiti does not indicate a credible presence of gangs in the area.

If you have any information regarding this vandalism, please call the Warrenville Police Department at (630)393-2131 and ask for Detective Sergeant Dawson.
