PEDESTRIAN VS VEHICLE ACCIDENT

WARRENVILLE, IL – On Tuesday, February 14, 2017, at approximately 6:23 p.m., the Warrenville Police Department responded to an accident involving a pedestrian versus a vehicle.

The preliminary investigation indicates an adult pedestrian was crossing the northbound lanes of IL Route 59 from west to east (in the area of the crosswalk) at Meadow Lane and against a red light. A vehicle traveling northbound on IL Route 59 proceeded through the intersection on a green light, striking the pedestrian. All traffic lights were reported to be fully functioning and operational. The pedestrian was transported to a nearby hospital, but later died from their injuries.

Warrenville Police were assisted in the investigation by the DuPage County Sheriff's Office. At this time, no charges have been filed pending completion of the investigation. If you have information on this accident, or witnessed it, please call the Warrenville Police Department at (630) 393-2131.
