Prostitution Arrest at Area Massage Parlor

WARRENVILLE, IL – On March 16, 2012, Warrenville Police Department Detectives, assisted by Detectives from the DuPage County Sheriff's Office, culminated a one-month investigation with the arrest of Myong Sim Tarver, a 55 year of old female, whose last known address is 1812 N. Alvarado St., Los Angeles, CA. The subject was charged with one count of Prostitution, and one count of Practicing Massage Therapy Without a License; both are Class A misdemeanors. Tarver is currently being held at the Warrenville Police Department.

Tarver, an employee of the Green Spa, 2 S 610 IL Route 59, Unit 7, was taken into custody at approximately 12:30 p.m., after she agreed to perform a sexual act for money upon an undercover DuPage County Sheriff's Detective. The investigation was launched by Warrenville Police after they observed an inordinate amount of customers who would frequent the business for very short periods of time. Warrenville Police Chief Ray Turano stated, "We take these types of violations very seriously, as they adversely affect the overall quality of life within the community."

Warrenville Police have notified the Illinois Department of Professional Regulation, and are working with City of Warrenville Code Enforcement in an effort to close the business.
