Three Vehicle Traffic Accident with Injuries

Warrenville, IL – On February 3, 2014, at 7:21a.m., a passenger vehicle traveling southbound on IL Route 59, north of Mack Road, crossed over the center median and struck two northbound vehicles. At this time, it appears the driver of the southbound vehicle suffered a medical emergency leading to the loss of control of his vehicle. The driver of that vehicle was transported to Cadence Hospital in Winfield, Illinois, and is in critical condition. The driver of the second vehicle was treated at the scene and released. The driver of the third vehicle was transported to Cadence Hospital for evaluation. The accident is currently under investigation by members of the Warrenville Police Department with the assistance of the FIAT Major Crash Reconstruction Team.
